Where are you originally from and where do you live now?

I was bor in Lisbon but my family is from Alentejo where I live now, in Montemor-o-Novo

What is your role within the winery?

Winemaker

How did you get into the wine business?

My “old” family makes wine since the XVI century, one of my dearest memories was when I jumped inside of my grandfather lagar and crash the grapes with my feet during the harvest....I always liked the wine “atmosphere”.

What got you interested in Organic wine?

I believe that we should take care of our home and our planet the best we can

What is your favorite wine from the portfolio and why?

My favorite wine is the Plansel Grande Escolha, intensive powerful wine.

What would you like to highlight about the winery?

All the innovation work, with grape selection and new varieties.

How do you see the future of organic wine and what are the challenges that we will face?

I think organic is the way to farming, I guess the biggest challenge will be the climate changing, we will have to adapt.

What do you like to do in your free time? I like to walk in the countryside with my kids and our dogs, reading, and I try to help the society doing volunteering making part of some social associations.
