Serve at: 46°F
UPC: 8-13561 01120-6

Vineyard:

Situated 10 km from the sea, the climate is mild. While the mistral wind coming from the mountains dries the vines, the Marin brings a breeze of humidity. The soil is made of gravels which offers the best conditions for the growth of the vines. Small gravels on the plots for the white and rosé varieties and larger gravels for the reds. The gravel absorbs the heat during the day and warms the vineyards at night.

Vinification:

Bled rosé 50%, direct pressing 50%, temperature 61°F.

Terroir:

Cailloutis villafranchiens. Gress on south Costières de Nimes Franquevaux.

Training system:

Cordon de Royat.

Tasting Notes:

Clear pale pink reflects with a purple iridescence. Fine nose of peach, raspberries, redcurrants, grapefruit and exotic fruits. Lively and full on the palate with aromas of red fruits. An expressive rose wine, refreshing and crispy, which could be served during aperitif and throughout the meal.

Enjoy with:

Aperitif, salads, BBQ, cheese...

Certification:

Ecocert

Notes:

Winemaker's notes: The appellation produces almost 40% of rosé! Wine of pleasure...very expressive, it offers a palette of aromas and reflects the character of a Mediterranean terroir. Only indigenous yeasts used.
