### Vineyard:

Situated 10 km from the sea, the climate is mild. While the mistral winds coming the mountains dry the vines, the Marin brings a breeze of humidity. The soil is made of gravels which offers the best conditions for the growth of the vines. Larger gravel stones are in the red plots. The gravel absorbs the heat during the day and warms the vineyards at night.

### Vinification:

Traditional. Pump Over. Fermentation temperature around 28°C. 12 days of maturation.

### Terroir:

Villafranchiens gravels. Gress on South Costières de Nimes.

### Training system:

Cordon de Royat & Double Guyot

### Tasting Notes:

Intense purplish color. Pleasant nose of blackcurrant, blackberry, liquorice. On the palate, the wine has soft tannins with aromas of red fruits, liquorice, flowers and spices. A tasty and supple wine.

### Enjoy with:

Meat, cheese, pasta plates and vegetables.

### Certification:

Ecocert

### Notes:

Winemaker's notes: Expression brings you immediate pleasure with pleasant notes of black fruits and it's great freshness typical of the Costières de Nimes. Some vintages, iodine flavors are very present. A tasty and supple wine which can be served throughout the meal. Only indigenous yeasts used.
