The Bobal grape appears to have more faces than we imagined; here it is as a sparkling wine with dried strawberry notes in the nose and red currants in the mouth. The finish is soft, not sweet, and the gentle character of the wine belies its ability to handle stronger flavors, even grilled fish and chicken. Drink soon.

Bright watermelon pink with deep pink tones. Aromas of juicy watermelon, raspberry, and frozen peach granita with a mint garnish. The delicately effervescent mousse reveals notes of ripe red berries, pomegranate juice, watermelon, and lime zest with a surprising black minerality on the palate.
